Dear Sir,

**Alteration & Addition Works  
 under Building (Administration) Regulations 25 & 26**

Your Form BA14 dated 1 June 2017 was received by this department on 2 June 2017 and supplementary documents dated 1 March 2018 were received by this department on 2 March 2018. On the Form, you have certified that the alteration and addition works carried out at 7 Sassoon Road, Hong Kong (Patrick Mansion Building, The University of Hong Kong) - I.L. 9015 have been completed in accordance with the plans approved by the Building Authority and that the works are, in your opinion, structurally safe.

2. On the basis of the certification on the Form BA14 and the information available, I advise that the Building Authority has no objection to the completed works as shown on the approved plans.

3. This letter also serves to record that you have, accompanying the said Form BA14, provided me with the following set of plans certifying the extent of works completed under your supervision: -

<u>Plan No.</u>	<u>Date Approved</u>
D-1 (Rev. C)	24 March 2017
D-2 (Rev. C)	24 March 2017
